Comments:
We have been advertising with register receipts for about four months now and we are getting great results. At first, we were skeptical about the results we would receive but we were pleasantly surprised. People really do look and use these things. We are in the Winn Dixie shopping center and are getting customers bringing in the coupons saying, " they never knew we were here." Well, now they do because of Register Tape's program. We would highly recommend this program to other businesses in the area.
