Comments:

I'm getting a ton of text messages and emails from people shopping at Kroger! They take a picture of the cart and send it to me with a comment. Great work, glad I took the chance with you guys! I just had a previous client who just sold their house and now building a 342K. I probably don't get that deal if they didn't see my scary mug on the carts at Kroger! Mission accomplished, the ad paid for itself in the first two weeks! Love it!!!
