Comments:

We have been participating in the register tape program for sixteen years now and have had an excellent return on our investment. We are advertising on four different supermarkets. We have been with RTUI for the last fifteen years because it works! If you make a good offer on your ad, you will get good results. This program helps out in our " Off Season" Each coupon is worth a minimum of five dollars. that's five dollars multiply two hundred coupons redeemed (each week) which equals one thousand dollars, per week. Which is four thousand dollars per week. Which is four thousand dollars, per month.
