Comments:

I have been a Realtor for 32 years. I have been on the shopping carts for 17 years. Through all my years working with my sales rep, David Burke & Cartvertising, the relationship has been nothing but professional and a pleasure. I have in the past worked with many advertisers wishing to pursue my business in advertising, but I can respectfully say not one has ever met his high standard of professionalism. David and I have worked together for many years and I always look forward to when we get together as he is always interested in how his product is working in my best interest. David and Cartvertising are an asset to my career and his expertise is above and beyond.
