Comments:

Some sales figures for you. Stokes Burger Ranch sold 13451 big ranch burgers from 11/17-11/18. 4894 coupons were redeemed during that one year period. By ordering the bare minimum (1 burger 1 fry get 1 burger free) to redeem the coupon we grossed \$36753.94 on the coupons returned. That figure does not account for any additional items that would boost the figure to a much greater amount. The program works! Thank you again for the support.
