Comments:

We really love the coupons and working with Kevin, Jeff, Kandice and everyone at IndoorMedia. They do all the work. We just wanted to remove "dine-in, take-out, and curbside" because business is picking up and we don't need that on our ad any more. And poof, they changed it right away for us! With a large average ticket based off our minimum order requirement, we are experiencing a huge return on investment! We've been with RTUI for 4 years and recommend this program to other businesses.
