Comments:

We hope to see an increase at Walt's Car Wash. Not expecting the same strong return we get at Green Wash which is in the same shopping center as the King Soopers we advertise on, but we're definitely looking for an upward trend. We've been on the Safeway tapes for almost one year and are renewing. I recommend RTUI to other businesses.

The advertisement is a vertical rectangular graphic with a green background. On the left side, the text 'Walt's Car Wash' is written in a large, blue, stylized font. Below this, 'Touch Free Automatic' is written in a smaller, white font on a yellow background. A large yellow box contains the text '\$2 OFF AUTOMATIC WASH USE CODE: 15480' in blue. On the right side, the text 'SIMMS' is at the top, followed by 'Walt's Car Wash Touch Free Automatic' with a star icon, 'OPEN 24/7', '11604 W. BELLEVIEW', and 'S. W. CORNER OF BELLEVIEW AND SIMMS'. At the bottom right is the 'Turtle Wax PRO' logo. A vertical line separates the left and right sections, with the word 'BELLEVIEW' written vertically along it. The number 'SA127AS0' is printed vertically at the bottom right corner.
