Comments:

I have been on the RTUI program at the local Acme for 6 years. we have been in business 24 years and this is the most successful advertising we have ever done. We average 54 coupons per week at an average of \$20 per coupon. This equates to \$4320 extra revenue per month and \$51,840 per year. The best part is many are new customers who tried us because of the coupon and are now regular customers! I strongly recommend everyone try RTUI. It works!
