Comments:

We are very pleased with our results advertising at Safeway it's the only way to advertise because our coupon goes to everyone in town!! We have been advertising since our store has opened and don't want to stop advertising at Safeway!! We are a customer for Life!! I would definitely recommend this program to other businesses to try out. I have been with RTUI for fourteen years now and receive one hundred ninety six coupons per month. Also, I have renewed with RTUI for another year and find it an excellent investment.
