**Phone:**  
**Number of Coupons Redeemed:** Per Week: 70 Per Month: 280

**Comments:**

I have been on the program for three years now. I am very happy with the results. My Canmore location gets back ten to fifteen coupons per day and my Airdrie location gets back five to ten coupons, per day. I have now added two more of my pizza locations to this program bringing the total to four. I highly recommend this program to any business.
