Comments:

I was excited to start this program and just like my rep said it would start like locomotive and only get better with time. Sure enough about week 14, we started to see our biggest uptick in customers bringing in the offers. It's great! I would recommend this program to other businesses to try out. I have been with Indoormedia for six months now and receive 90 to 150 coupons per month. I would renew with Indoormedia for another year and find it an excellent investment.
