Comments:

We started advertising with Cartvertising right as the COVID-19 Pandemic hit, and things were being shut down. I figured that the advertising I had just signed up for would be a lost cause, and I would be writing it up as a loss. Not only has business picked up during the pandemic, but my busiest month I can remember was the first month after ads went on the carts. I think that one of the most important benefits is that our neighbors have seen our ads and are reminded about our business. While they knew I was an attorney the ads reminded them that I have a business. I have seen an increase in referrals from my neighbors during that time.

An advertisement for Ellis Law. On the left, the text "ELLIS LAW" is displayed in large, bold letters, with "ELLIS" in black and "LAW" in red. Below this, a list of services is provided: "• Estate Planning", "• Wills & Trusts", "• Adoption", and "• Family Law". To the right of the list is a QR code and the website "ellislawutah.com". In the center, two men, Braden Ellis and Dean Ellis, are shown in professional attire. Braden is on the left, wearing a dark suit and a red tie, and Dean is on the right, wearing a light grey suit and a blue tie. Below the men, their names "Braden Ellis" and "Dean Ellis" are printed. At the bottom of the ad, a red banner contains the text "Call or Text for a FREE CONSULTATION" and the phone number "801-965-8605" in white.
