**Grocery Store:** Winn Dixie  
**Customer:** Gina Grandchamp-Milan  
**Business:** Speech South Florida Speech Solutions  
**Address:** 17034 SW 34th Street, Hollywood, FL 33027 -  
**Phone:** 786-810-7704

**Comments:**

Last year, I started with the carts and Digital Boost. Amazingly, once the carts started, we received 5-10 phone calls within 1 day. In the past 12 months, we received more patients and phone calls than in the last three years. It cost me three times as much to use other platforms. We have now expanded our services with our sales rep, Ted Maria, to include Map Boost. I highly recommend IndoorMedia. - Gina Grandchamp-Milan, Owner

The advertisement for Speech Solutions features a woman, Gina Grandchamp-Milan, in a green shirt, smiling and holding a book. Behind her is a sign that reads "come as you are". The text on the left asks, "Are you concerned about your child's speech and language development?" and encourages booking a free screening. It also mentions that they accept 100% Medicaid, private insurances, and payments. The bottom section includes the "SPEECH solutions" logo, the phone number 786.810.7704, the email info@southflspeech.com, a QR code, and the website southflspeech.com. A small inset photo shows a woman and a child interacting with educational materials.
