**Comments:**

We started our journey with IndoorMedia by signing up for the receipt tape program with digital boost. Our rep was Hieu. I was skeptical at first, but at the same time I wanted to test the current market if my spaghetti concept is well-received within the local community. Hieu set the expectation that it would take some time to build up once my ad starts running, specifically around the 3rd and 4th quarter. To my surprise, in the 1st quarter, I received about one coupon every day in the first month, then more than 50 coupons in the 2nd month! Now I have full confidence that the program will yield high ROI. It's only the beginning, and the coupon has already built up super-quickly. What is going to happen in the 3rd and 4th quarter? I pay attention to my customers, the people who bring the coupons in are new faces too! My only suggestion to business owners who are skeptical about this program, like I initially was, is to have faith, patience, and give it a go! Thank you Hieu and IndoorMedia!

The coupon features a vibrant image of spaghetti topped with meat sauce and fresh basil leaves on the left. To the right, the 'Wow Spaghetti' logo is displayed in a bold, comic-style font with a yellow and red starburst background. Below the logo, the address '7852 Westminster Blvd. Westminster' and phone number '714-248-9652' are listed. A large red banner on the bottom left contains the text '\$5 OFF Any Purchase Of \$15 Or More'. Fine print at the bottom right states: 'Must present coupon. Not valid with any other offers or discounts. Limit one coupon per visit. Expires 5/15/25 • ALB6145JFM'.
