Number of Coupons Redeemed: Per Week: 35 Per Month: 140

Comments:

We are seeing at least 5 per day. Some of our customers mention the coupon, but they left it at home. We have seen first-time customers come from Santa Cruz after they go to Safeway here in Watsonville. We definitely recommend IndoorMedia's register tape to all fast-casual dining restaurants. This is a small investment with a great ROI. Thank you Peter.
