**Comments:**

Judd approached us 3 yrs ago about being on the register tape. I was not sold on this type of advertising. My personal opinion is that "no one looks at those," despite all the amazing testimonies from other pizzerias. Judd came back and spoke to us again 3 years later. We decided to give it a shot. The first couple of months were slow. I wasn't feeling very encouraged. Judd said it will improve. Well, we are now seeing at least one every day. Judd was right!
