Comments:

I tried this program years ago in Texas and didn't see results, so I considered it a failure. But my Rep showed me how he's driving results for others and convinced me to give it another shot. I started with one supermarket farther from my location, and the program just launched. We're already seeing at least 5 redemptions a day, and way more on weekends with an average ticket at \$21! We underestimated the value of this program, and now we're expanding to every store around us ASAP. Thanks, IndoorMedia.
