**Comments:**

We have been participating in the register tape program for 5 months now and have had an excellent return on our investment. I will definitely renew our advertising and would recommend that other businesses try this type of advertising. In three months, we've received sixty nine coupons at a average ticket of \$1600.00 We found that the RTUI program can not be beat. I rate RTUI a nine out of ten. Dollar for dollar, it's the best program we have ever done.
