**Comments:**

We have been participating in the register tape program for SIX to SEVEN YEARS and have had an excellent return on our investment. I will definitely renew our advertising with RTUI. The previous owner stopped advertising a number of years ago and his business decline until he finally sold. It took me a while, but I finally got back on ShopRite grocery store and saw a difference in our business. Now we have added a second store. Even my wife tells me that of all the advertising that we do, people like the supermarket receipts, and they keep them.. They don't keep Val-pack, RT9 Shopper or any of the other types of advertising that we do.
