**Phone:** (303) 927-9061

**Comments:**

James, Thank you for getting our receipts all set. RTUI has worked great for us, not only does it pay for itself with the customers who use the coupon, but we get thousands opportunities for potential and current customers to see our name over and over again! We like the program so much that we are including it as a part of our standard marketing and brand management program.

**Signature:** Dennis
