**Comments:**

We have been advertising with RTUI since 2008 on three grocery stores for our Chandler Car Wash. We just renewed again and added one more grocery store for our Chandler Car Wash, two grocery stores for our Prescott Valley Car Wash, and two grocery stores for our Cottonwood, AZ Car Wash. We are now advertising on eight grocery stores with RTUI. It is our best form of advertising and out performs money mailer. Redemptions are only one part of the equation. It's all about customer service and I receive great customer service from Andy Lueck. He has handled my account for the last several years and when ever I have a issue, it is handled A.S.A.P. I not only consider him a good vendor of ours, but also a friend.
