Phone: (518) 439-6428
Number of Coupons Redeemed: Per Week: 20 Per Month: 80

Comments:

We have been participating in the register tape program for five months now and have had an excellent return on our investment. We're very happy with the response we have seen so far. The number of redemptions continue to increase along with the new customers we see. Our average ticket is forty five dollars. We're receiving eighty plus coupons, per month.
