**Number of Coupons Redeemed:** Per Week: 15 Per Month: 60

**Comments:**

I took off six months advertising with Andy and RTUI. I was previously with them for two years. I wanted to try a few other forms of advertising and see how they worked for me. I just renewed again and added another grocery store for my Gilbert Firestone location. Register Tapes has been a great program with a high return. I highly recommend that other businesses try this type of advertising.
