**Comments:**

We receive approximately twenty eight coupons per month. We've participated in the RTUI program for ten days. We would renew this advertising program! We recommend this program to other businesses. I was with another advertising company (penny Saver) all of a sudden they went out of business and I am left with no advertising at all. I received a call from a RTUI rep. I told him to come on over and let me see what you have to offer. Well I signed up for four years. The price was so reasonable compared to penny saver. I can't believe the response and coupons in ten days taken in a little over three thousand eight hundred in repairs.
