**Comments:**

I have been with RTUI for four months now. After she tried to work with me for a few months I finally decided to give this form of advertising a try. My restaurant is in the same shopping center as Giant. This is a good way to capture the attention of the Giant shoppers. We are seeing new faces and are very happy with redemptions building over time. I am so confident that I have signed on for an additional 12 months.
