Comments:

I was convinced to try this form of advertising and I am so glad I listened. I have been on the RTUI train since the fall on 4 of my stores. This program works. The twelve-month commitment is a bit worrisome but once you start to see the build it more than pays for itself. My stores are getting new customers every week, I have increased my community exposure and my revenues are growing. If you are in the right location absolutely give it a try!
