**Comments:**

We have been advertising on the Register Tape since April 2016 and it has been a great experience. We get a tremendous result. It has let people know that are here on a daily basis and that has a huge issue even though we are right across the street. This is our very best advertising program we do and thats including the mint magazine and our corporate mailers. We highly recommend the program to any business in the area. It's a for sure winner and any business truly needs to give this a try.
