Comments:

"This Kroger receipt ad has been good and I feel it is the lowest cost ad, I have!" Our GREAT CLIPS ad on the receipt at KROGER, has been a productive ad with coupons coming throughout the month during our first year in business. We are cost conscious, just like any other business and we see all other advertising costing quite a bit more than these coupons ads at KROGER and for the money, it has been good to us! We are renewing our contract and would recommend this kind of advertising to anyone who measures the cost versus results in their promoting.
