Comments:

This is by far the best form of advertising I do. I have not had anything work except this. I am three miles from the grocery store and I'm in a very remote area. I know this ad campaign brings customers to my door. My average check is \$30. This has been great! Sign up for another year. Now that I am two years in the program my redemptions have increased even more. Year one fifty-sixty per week, year two closer to one hundred per week. Nine to twelve coupons per day weeks and thirteen to eighteen coupons per day on weekends.
