Comments:

The receipt program is the absolute best way to let the local community know who you are & what you do. We immediately got branded. Being endorsed by Safeway gave us the credibility & trust we sought after in order to be viewed as the local caregivers for your loved ones. It reaches every single family in the community. In the first 6 months alone, we acquired 6 new clients. One client pays for the ad for years of advertising. The return on our investment is excellent and I recommend RTUI to other businesses.
