Comments:

We have been on the Kroger receipts for almost four years. We get a lot of these coupons back. I'd say we get back around 50-60 a week with an average spend of \$35-\$40. This program keeps customers coming in. We love it. I recommend RTUI to other businesses, we get an excellent return on our investment. We've been advertising on the receipts for four years and are renewing our contract.
