**Comments:**

I would like to take the time and express my appreciation to Loretta Dressing. Loretta has provided excellent personalized service for several years. She always provides helpful suggestions, while supporting our final decisions. Loretta consistently reviews our advertising and makes sure we've met the necessary deadlines. Cartvertising has helped strengthen our business. We depend on local advertising for local growth, and this program has consistently proven beneficial. We're fortunate to have a knowledgeable, caring agent looking after our Cartvertising account.
