Comments:

I've been working with IndoorMedia for a few years now, they have always delivered extraordinary results from their Register Tape Campaign. Because of these results, I've renewed for 3 years! Six months ago, I added their Digital Boost product. The results have built every month. In November, I had my best month ever with 470 new customers. Then in December, I beat that with over 500! I just renewed my first 2 Digital pins and added 2 more! This is the only advertising I am doing. Highly recommend this to everyone but my competitors! I greatly appreciate the service Ralph has delivered since the beginning!

A colorful advertisement for Hazy Bulldog Farms. At the top, the text 'HAZY BULLDOG FARMS' is written in a bold, yellow, outlined font. Below this is a cartoon illustration of a white and brown bulldog sitting on a green hill, with snow-capped mountains in the background. To the right of the bulldog is a QR code with the text 'ORDER ONLINE' above it. Below the QR code, the text 'Open 7 Days A Week 9am-7pm' and 'CBD, Edibles & More' is displayed. At the bottom, there are two yellow boxes with red borders. The left box says '10% OFF' in large red letters, with 'RETURN CUSTOMERS' in smaller black letters below it. The right box says 'Refer A Friend, Spin The Wheel' in red letters. At the very bottom, the address '1243 MONO WAY • SONORA • 209-536-4208' is written in black. Small vertical text on the right side of the ad reads 'CJD-0000871-LIC' and 'SAF3127/JAS'. A small disclaimer at the bottom reads 'Must be of legal age to use this coupon. Offers cannot be combined. Must present coupon. Exp 10/31/23'.
