Comments:

This program is an excellent return on investment. I have a total of 8 locations participating in the program. This has been great for our locations. Think about it, I get my message handed out Thousands of times a day for the price of Sub/Chips/Drink. My Rep Jason Hinds has been Great. I do like the fact that if I want to make any changes I can every 3 months with each of my locations. This is a no-brainer folks! Any Sub Shop and for that matter there isn't a business out there that wouldn't benefit from partnering with the busiest stores in their neighborhood! I love to see my Firehouse ADs saturating the local area.
