We love this program. We receive 50 to 60% of all our coupons from this program. We are seeing an excellent return on our investment and recommend this program to other businesses like ours! This is our second year with IndoorMedia and have just renewed for another. Our average purchase per ticket is more than \$25 and we receive 138 coupons a month. This means \$3,450 in monthly revenue and \$41,400 annually.
