Comments:

We are seeing an excellent return on our investment and recommend this program to other businesses to try. We get at least 4 redemptions per day on weekdays and many more on weekends. People take advantage of the discount and spend over \$35 per transaction. The coupon generates \$7,000 per month! Wish there were more grocery stores close to our location. Carnitas El Rincon runs on over 20 grocery store's receipts for all of our locations. Amazing results!
