Customer: Jim Phelan

Business: **Investment Planning Group Inc**

Address: 298 W Bridge Street, Blackfoot, ID 83221

Phone: 208-406-8237

Comments:

This was our first shot at advertising besides newspaper and these things can be really hard to finish but Cartvertising take cares of everything and makes it really easy to do and they put out a good product and that's what we really appreciated. We got excellent feedback, mostly in person from people telling us they have seen the ads and some of our new clients told us that they had seen us in the store and that helped when they were ready to find a financial planner.
