Comments:

Since we started the program, we've had a definite increase in sales and have been busier. We have more young families coming in, and it's because of your coupon. We receive a good return on investment. Our average ticket is \$40. I enjoyed shopping at Albertson and seeing my coupons. I feel so proud knowing my restaurant is being featured. I had a father tell me "My wife makes go to Albertsons to show just so I can get your coupon and we can take the family out." Part of me was sad hearing that they had to do that but it also makes me happy that I am helping families save some money right now while times are tough.
