**Comments:**

This is the simplest thing we do. Every local resident and those who pass through are getting our message every time they shop. We get the benefit of the implied endorsement which is huge. Plug and play is the best description. Jason, our sales rep., has been so great to work with. I highly recommend this to every Auto Shop and Oil Change business. I receive between 100 to 140 coupons monthly with an average ticket of \$100.
