Number of Coupons Redeemed: **Per Week:** 15 **Per Month:** 60

Comments:

We've been in business for over 20 years and I am impressed at how this is performing in such a short time. I already have paid for this ad in just 9 weeks, and Tony said around week 24 the ad would pay for itself. I will continue to do this advertising forever. Thank you RTUI for helping in the growth of my business. RTUI is an excellent return on investment and I recommend this or your business.
