Phone: 253-537-5433

Number of Coupons Redeemed: **Per Week:** 21 **Per Month:** 90

Comments:

I see an excellent return on investment. I've been in the program for over ten years. This is the best marketing ever, and it still brings in new customers weekly. It took a little time to get traction but our rep told us it would grow over time. My goodness, it grew over time. 10/10 would recommend it to any business owner no matter what industry.
