Comments:

Started on 3 stores, and I am advertising on over 15 now with all my locations. This is the best advertising I could buy when I open a new restaurant. It gets my sales up quickly! My ROI skyrockets! I even tried Digital Boost in two areas. This is an excellent return on investment. I receive 300 coupons per month with an average ticket price of \$25. This creates \$7,500 in monthly revenue and \$90,000 (\$7,500 x 12 mo.) annually.
