**Number of Coupons Redeemed:**      **Per Week:** 35      **Per Month:** 140

**Comments:**

We run two shifts, and both cashiers receive 2 to 3 coupons per day. Moving into summer, we're looking forward to seeing how the program performs. We include a code that we haven't been using consistently; we need to track this better. Our average ticket is \$25 with 140 coupons monthly.
