Comments:

“I’m the head cashier at Temple City Car Wash, and I can tell you the coupons from Ralphs and Vons really work. We’re averaging about 25 coupons a day, and I see all kinds of people using them—young, older, new customers, and regulars. Everyone’s excited they get to save, and I’ve even heard people say the coupon is the only reason they don’t go to another car wash. With so many other car washes in the community, we have to do something to separate ourselves and stay competitive. These coupons have been a great way to bring in new business and keep customers coming back. I would recommend doing this program”
