**Comments:**

We have been participating in the register tape program SINCE 2005 NOW and have had a good return on our investment. I will definitely renew our advertising and would recommend that businesses try this type of advertising. Our redemption rate is good but the customer service that Robin gives me, is even better. I have no problem paying more when customer service is so good. We're seeing anywhere from six hundred and fifty to seven hundred and eighty coupons, per month.
