Comments:

We have been participating in the register tape program for six months now and have had an excellent return on our investment. Yes and we did renew our advertising with RTUI. We tested our RTUI for a six month introductory period. We had a tremendous response after two to three week of having our coupon. This is a great investment for any small business. We would recommend RTUI to all small businesses to try this type of advertising. We're receiving forty to fifty coupons, per location, per week.
