**Comments:**

Mark came by our shop today to renew our ad on the back of the Register Tapes at the Fry's grocery store at McDowell and 43rd Ave. I told him we couldn't renew right now because it has worked so well we are just too busy. I recommend this type of advertising to anyone, except our competitors. We have found RTUI to be a reputable company to do business with. WE are completely satisfied with the results of advertising with RTUI. WE get about twenty five coupons a week back from this advertising. Thank you Mark and RTUI.
