Number of Coupons Redeemed: **Per Week:** 400 **Per Month:** 1600

Comments:

To be honest we didn't think people actually look at these things. After talking to chad we decided to give it a shot. To our surprise we see fifty to seventy-five a day. Chad was right, hands down this program has been awesome. We are currently on three Kroger stores and I just bought three more for our one vapor shop. I'd definitely recommend this program to other businesses. We will be a long term customer!!!
